

# TIPS & TIDBITS

*by Dianne Mockler*

## **Spray Station**

When our family members know our passions oh so well, they find things of interest for us. My husband called my attention to this in a woodworking magazine – it is a *Homeright Small Spray Shelter* featured on Woodcraft.com. There is a larger size too but this one is more appropriate for basket-sized projects:

## **Dyed Reed Anyone?**

FYI - Gina Kieft bought Noresta not too long ago: <http://www.ginasbaskets.com>

*Members and advertising vendors: If you have great tips that could help fellow weavers please submit to our newsletter editor. Thanks!!!*
